Constitution Pipeline Announces Recipients of Inaugural Community Grants

SCHENECTADY, N.Y. -- Constitution Pipeline Company today announced the recipients of the inaugural Constitution Pipeline Community Grant program, awarding nearly \$300,000 to benefit local communities within the counties traversed by the proposed pipeline project.

An advisory committee consisting of community leaders and company representatives helped determine which projects would receive funding and how the dollars would be distributed. Grants were awarded based on overall community need and merit of the proposal. Examples of eligible projects included emergency/first responder support, youth or senior services, education programs, assistance in the enrichment of wildlife habitat and promotion of environmental education.
