Constitution Pipeline Announces Latest Recipients of Community Grants *Company to distribute more than \$350,000 in project area*

SCHENECTADY, N.Y. -- Constitution Pipeline Company today announced the recipients of the third cycle of its Constitution Pipeline Community Grant program, awarding 19 grants totaling more than \$350,000 to benefit local communities within the counties traversed by the proposed pipeline project.

The company awarded nearly \$700,000 in grants last year, bringing the total announced awards to more than \$1,000,000.

An advisory committee consisting of community leaders and company representatives helped determine which projects would receive funding and how the dollars would be distributed. Grants were awarded based on overall community need and merit of the proposal. Examples of eligible projects included emergency/first responder support, youth or senior services, education programs, assistance in the enrichment of wildlife habitat and promotion of environmental education.

“We are very pleased with the opportunity to assist in funding this innovative, diverse collection of community projects,” said Matt Swift, Constitution Pipeline project manager. “Constitution Pipeline is committed to being a good neighbor by putting safety, environmental stewardship and community support at the heart of our operations.”

Constitution Pipeline plans to distribute grant awards twice per year, with the next funding cycle’s deadline scheduled for Sept. 30, 2014. Grant applications can be completed online at www.constitutionpipeline.com.

3rd Cycle Grant Recipients: Summary by County

- Broome County: five grants for a total of \$63,400
- Chenango County: two grants for a total of \$50,000
- Delaware County: five grants for a total of \$95,000
