Constitution Pipeline Announces Latest Recipients of Community Grants *Total Reaches \$1.3 Million Awarded in Project Area*

SCHENECTADY, N.Y. -- Constitution Pipeline Company today announced the recipients of the fourth cycle of its Constitution Pipeline Community Grant program, awarding 18 grants totaling more than \$287,000 to benefit local communities within the counties traversed by the proposed pipeline project.

The company already awarded more than \$350,000 in grants earlier this year, bringing the total announced awards since December 2012 to more than \$1,300,000.

An advisory committee consisting of community leaders and company representatives helped determine which projects would receive funding and how the dollars would be distributed. Grants were awarded based on overall community need and merit of the proposal. Examples of eligible projects included emergency/first responder support, youth or senior services, education programs, assistance in the enrichment of wildlife habitat and promotion of environmental education.

“We are very pleased with the opportunity to assist in funding this innovative, diverse collection of community projects,” said Matt Swift, Constitution Pipeline project manager. “Constitution Pipeline is committed to being a good neighbor by putting safety, environmental stewardship and community support at the heart of our operations.”

Constitution Pipeline distributes grant awards twice per year, with the next funding cycle’s deadline scheduled for Sept. 1, 2014. Grant applications can be completed online at www.constitutionpipeline.com.

4th Cycle Grant Recipients: Summary by County

- Broome County: three grants for a total of \$50,000

The mission of the Constitution Pipeline Community Grant Program is to identify and help fund noteworthy projects that directly benefit the surrounding communities. Each eligible organization may request up to \$25,000 per funding cycle. Applications must be for projects within counties in close proximity to the proposed Constitution Pipeline. Priority will be given to projects within towns traversed by the pipeline route. Project must be started within 12 months of receiving funding.

About Constitution Pipeline Company, LLC

Constitution Pipeline Company, LLC is a proposed 122-mile interstate natural gas pipeline project designed to transport natural gas produced in northeastern Pennsylvania to existing transmission pipeline infrastructure located in Schoharie County, NY.
