Constitution Pipeline Announces Latest Recipients of Community Grants *Total Reaches \$1.6 Million Awarded in Project Area*

SCHENECTADY, N.Y. -- Constitution Pipeline Company today announced the recipients of the fifth cycle of its Constitution Pipeline Community Grant program, awarding 27 grants totaling more than \$300,000 to benefit local communities within the counties traversed by the proposed pipeline project.

The company already awarded more than \$637,000 in grants earlier this year, bringing the total announced awards since December 2012 to more than \$1,600,000.

An advisory committee consisting of community leaders and company representatives helped determine which projects would receive funding and how the dollars would be distributed. Grants were awarded based on overall community need and merit of the proposal. Examples of eligible projects included emergency/first responder support, youth or senior services, education programs, assistance in the enrichment of wildlife habitat and promotion of environmental education.

“We are very pleased with the opportunity to assist in funding this innovative, diverse collection of community projects,” said Matt Swift, Constitution Pipeline project manager. “Constitution Pipeline is committed to being a good neighbor by putting safety, environmental stewardship and community support at the heart of our operations.”

Constitution Pipeline distributes grant awards twice per year, with the next funding cycle’s deadline scheduled for April 1, 2015. Grant applications can be completed online at www.constitutionpipeline.com.

5th Cycle Grant Recipients: Summary by County

- Broome County: six grants for a total of \$71,600
- Chenango County: three grants for a total of \$25,000
- Delaware County: five grants for a total of \$75,525
- Otsego County: one grant for a total of \$6,400
- Schoharie County: six grants for a total of \$75,000
- Susquehanna County: six grants for a total of \$50,6000
